YAMUNA GEORGIA

The Leader in Crispbread Excellence

Who We Are

Founded in 2017 in Tbilisi, Yamuna Georgia has grown into the No.1 crispbread producer in Georgia, recognized for outstanding quality, natural ingredients, and true nutritional value.

Our Geography of Success

Today, our crispbreads are available in all national retail chains across Georgia and enjoy strong consumer trust. We actively export to Azerbaijan, Armenia, and the USA, expanding our international presence year by year.

Production & Quality

Equipped with state-of-the-art certified machinery, enabling simultaneous production of 4 types of crispbreads.
Implementation of the HACCP system and certification in accordance with ISO standards. Strict quality control at every stage of production.

Naturalness and quality are our top priorities!

- 100% natural ingredients
- Free from artificial colors

**100%
whole
grain**

We continuously innovate, develop new recipes, and expand our product range to ensure that every customer finds their perfect crispbread.

We produce a range of whole-grain crisp cakes using:

- Buckwheat • Bulgur • Wheat • Camolino rice •

We also make **thin crispbreads** from buckwheat, wheat, oats and corn – ideal for healthy snacking or as a bread alternative.

Additionally, our product line includes corn-based **snacks** in various delicious flavors.

Yamuna Georgia – where crispbreads become the art of healthy eating!
